

Loveland Youth Gardeners

Planting Seeds. Growing Youth. Nourishing Community.

Autumn 2018

Dear Business Owner,

We are looking forward to the 16th annual **Loveland Garden Tour & Art Show** to be held on **Saturday, June 15, 2019, benefitting Loveland Youth Gardeners (LYG)**. Once again, we look forward to a wonderful event that demonstrates the beauty and benefits of gardening in Northern Colorado, with more than 500 attendees.

Our gardens for 2019 will feature the established gardens of NW downtown Loveland. The tour also showcases the sale of "art for the garden" and a silent auction with items to enhance outdoor living spaces, created by local and regional artists. Proceeds from this event benefit Loveland Youth Gardeners, a local non-profit organization, with a mission to cultivate job and life skills, environmental stewardship and service in youth facing barriers, by building healthy relationships with people, agriculture and community. You can find out more information about LYG at <http://www.LovelandYouthGardeners.org>.

The Loveland Garden Tour & Art Show is an excellent way to invest in a worthwhile and educational community event, support a growing local organization, and gain exposure for your business. We invite you to partner with us for next year's event. **If interested, please complete and sign the Agreement Form below and return to Loveland Youth Gardeners as soon as possible to reserve your space.**
